

Infiniti TechTex

Textiles for Industry

CAPABILITY

- Admirable chemical and abrasion resistance
- Absolute filter rating availability
- Excellent Dimensional stability and Long service life
- Excellent cake release

APPLICATION

- Food industry
- Automotive industry
- Chemical and medical industry
- Pharmaceutical
- Mining & Refining

CAPABILITY

- Smooth surface,
- Uniform micro pore distribution
- Excellent Dimensional stability and Long service life

APPLICATION

- Air conditioner Industries

LIQUID FILTRATION FABRIC

Spun, Multifilament and Monofilament Strainer Fabrics are use for Industrial Filtration. Heavy Weight Fabrics are use or Filter Presses. Filter Bags, Belt filter.
