PheroStrong®

OILS WITH PHEROMONES FOR HER AND FOR HIM

Massage oil with excitatory pheromones in the PheroStrong Perfume line was created to increase excitement and sexual attraction during a sensual massage. The texture of the oil is extremely soft, light and non-greasy.

Hands seductively glide over the body, leaving an invisible layer of excitatory pheromones on the skin, to increase pleasure and excitement to the breaking point.

Massage with oils

Feel every part of your body melting lewdly between your hands. Explore your bodies through touch. Add more pleasure to love and passion. Let your imagination know no restraint. Let yourself be carried away by unearthly delight.

Use sensual massage oils with excitatory pheromones in the PheroStrong line.

Body care

Our PheroStrong body care oils deliver magic power with beneficial effects on your skin.

Discover our secret and delight in sensual care.

PheroStrong body care oils deliver a precisely selected blend of unique ingredients, their composition rich in cocoa butter will satisfy the needs of even the most demanding skin.

Pheromones and our professional lives

CONSCIOUSLY MANAGE YOUR IMAGE

Pheromones work in a variety of relationships, for example, male - female, male - male, or female - female. They affect our hormones, as well as the brain's alpha rhythm and neurotransmitters. Therefore, they are used frequently between people of the same sex in the professional sphere, at work, in business environment.

Pheromones and our sex lives

THE CHEMISTRY OF LOVE TAKES ON A NEW MEANING

The results of studies conducted on pheromones suggest that we can control our sexuality and related behaviors. PheroStrong pheromones will make you irresistible to the opposite sex. They will allow you to break the barrier of shyness and increase your chances of flirting. They will help you to be an open, confident and sociable person.

Pheromones and our everyday lives

BE IN COMMAND OF THE SITUATION

Pheromones are not only used for seduction. By using pheromones, we can improve the level of communication in every area of social life - including everyday life and family relationships.
