HAPPYOLE

SANGRÍA

ARTESANA

Why HAPPYOLE?

Our sangria is the Ole and Ole
of every moment. Ole is
popularly used as an
expression
of energy and enthusiasm, to
praise, to encourage.

Every moment should be lived
with enthusiasm.

Why is unique and special?

Happy Ole is a delicatessen sangria made by artisans. Our receip is based on the maceration of wine with natural freshly squeezed juices.

It is produced using only natural ingredients without preservatives or colourants.

Carefully elaborated with fruits and freshly squeezed juices from the best Valencia oranges and lemons, and excellent strawberries.

How should we drink it?

It should be served very cold.

It Can be decorated with cinamon and lemon and orange slices although drunk by itself is very fruity.

It should be shaken before serving, because little pieces of fruit could be found due to the elaboration process.

In what containers is it available?

The bottle is made of glass with automatic closing, in 750 and 200 Mililiters containers.

They are in boxes of 6 units for the 750ml bottles and in boxes of 24 units for the 200ml bottles.
